LOCAL FOCUS EDUCATIONAL VIDEO SERIES

New This Year

Pivoting off of Berry Good Academy, our 30+ cooking classes led by volunteer chefs and artisans held at Specialty Produce 2017-2020, BGF has decided to take its educational series on the road and shine a light on the sustainable and regenerative producers in our region, from Ensenada to Oceanside.

BGF will create greater educational access for the public by documenting the series with high-quality video and posting them online with an eye on multiple platforms.

GOAL
Release videos
on a quarterly basis

2024 IMPACT

BGF is currently seeking a strategic partner for the video series.
